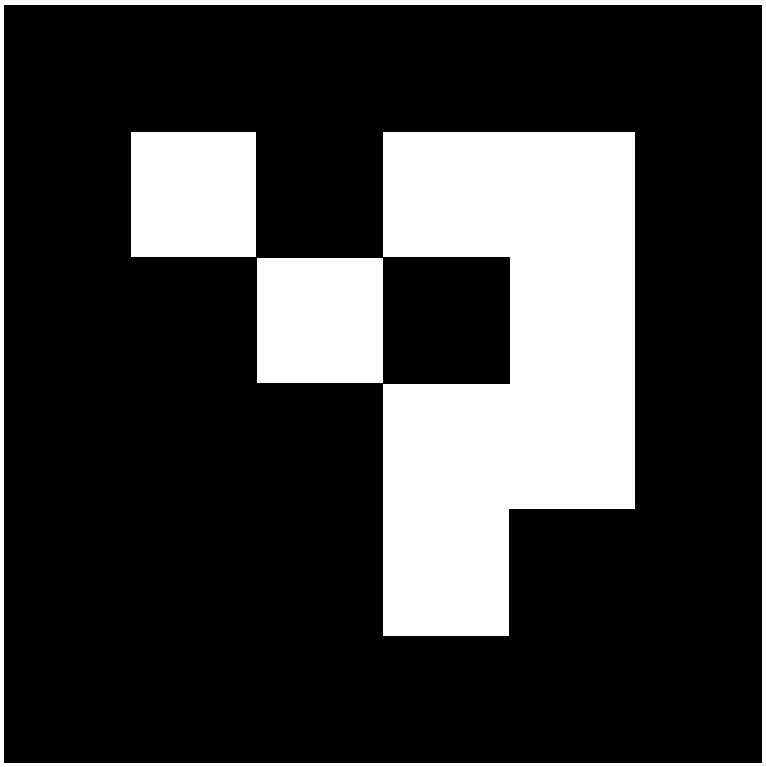
PigWeigh / printable reference

DICT_4X4_50 | ID 0 | Black square: 100 mm (10 cm)

A4 portrait - preserve the white margin around the marker.



Before you use this marker

1. Print on A4 at 100% / Actual Size. Turn off Fit to Page.

2. Use a ruler: each outside black edge must measure 100 mm.

   Measure the black square only; exclude the white margin.

3. Mount flat. Keep the whole marker and white margin visible.

Print settings do not prove physical size. Verify the printed card before capture.
